## Annexure – I

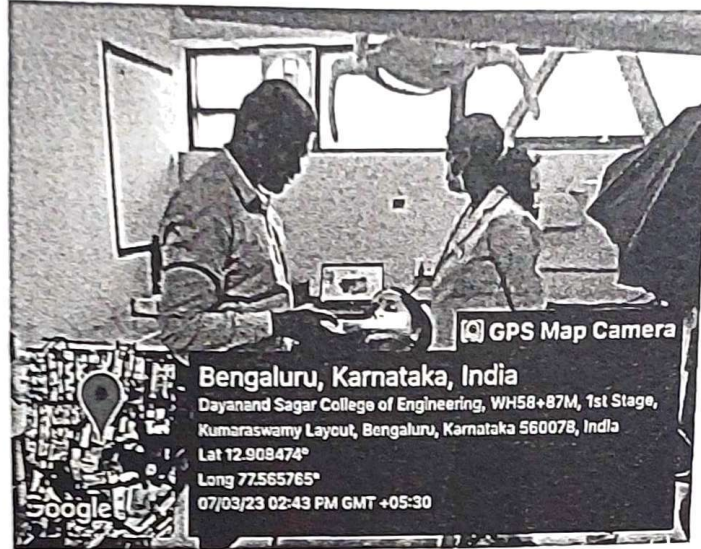

The Department of Conservative Dentistry and Endodontics conducted a CDE program, Lecture and Demo on "3 SHAPE TRIO" on 07-03-2023 for the Post graduates and Staff members.

At the inauguration, the Principal emphasised on the importance of Digitization in dentistry. The speaker Mr Aravind, Unicorn Denmart clinically demonstrated the 3 Shape Trios scanner and software. The upper and lower arches of a volunteering patient were scanner and subjected to digital smile designing. The other features of the equipment such as scanning diagnostic casts, addition of patient photographs and digital smile designing were also discussed. All the participants found the lecture and demo very informative and had a lot to learn from this program. The Principal presented a token of appreciation to the speaker at the end of the program. Certificates of participation were distributed and feedback collected from the participants.

## Annexure – I

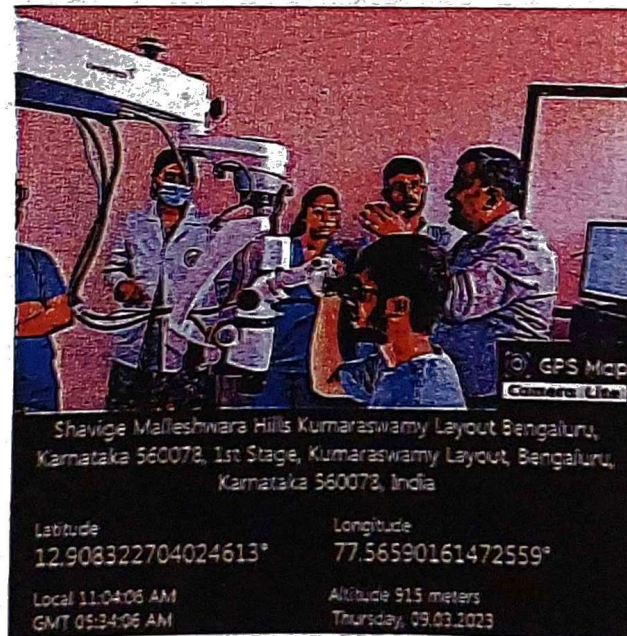

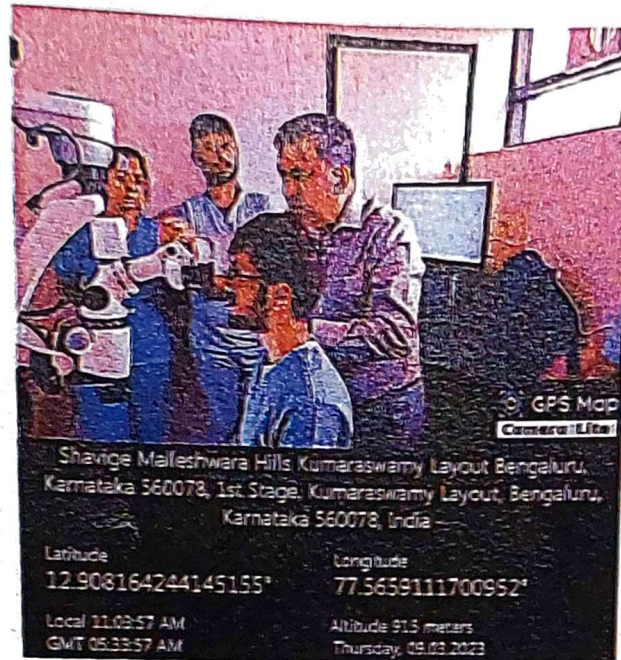

The Department of Conservative Dentistry and Endodontics conducted Lecture and Demo on LABOMED MAGNA on 09-03-2023 for the Post graduate students and faculty.

At the inauguration, the Principal spoke about importance of microendodontics in improving precision and overall success of endodontic procedures. The speaker elaborated the features of the microscope with emphasis of parfocalling and documentation of cases under the microscope. He also discussed the technical consideration of Dental Operating Microscope. Students found the program very informative. The Principal presented a token of appreciation to the speaker at the end of the program. Certificates of participation were distributed and feedback collected from the participants.

### Department Of Oral Medicine and Radiology

		<p>Chairperson Dr Ramnarayan BK, Associate Dean and Head of Dept of Oral Medicine and Radiology, DSCDS followed by address by Dr Ashok L, President of IAOMR Karnataka branch, Dr Satheesha Reddy, President of IAOMR, Dr Prashanth Shenoy, Hon. Gen secretary IAOMR, Dr Ramamurthy, Hon. Gen secretary IAOMR Karnataka branch and Principal Dr Hemanth M. It was a power packed and fun filled scientific fest where 41 eminent guest speakers from across India shared their knowledge and practical tips with postgraduate students and guided them on how to prepare for the University examination. Quiz competition was conducted on all the five days by Mr Sunil Chiplunkar, Vice President, Business development, Group pharmaceuticals. The link for all the 5 days lectures was provided to the students. The programme was concluded by vote of thanks by Dr Preeti Patil, Assistant Professor, Dept. of OMR, DSCDS. We thank Group Pharmaceuticals for being collaborators for the programme and staff of RV Dental College and Hospital for their support in planning the programme. Total of 104 postgraduate students actively participated in the programme from all across India and made it a grand success.</p>

## Annexure - I

The aim of this workshop was to provide insights in the innovation in Laser dentistry and use of Blue laser wavelength. Hence the departments of Oral Medicine-Radiology and Periodontology of our institution organized a lecture and Hands-on workshop in association with NOVOLASE technologies India. Group Pharmaceuticals Ltd was the principal collaborator of this workshop. The workshop being held on 26<sup>th</sup> June 2023 with the Guest Speaker Dr Chandrashekar Yavagal.

Chief guests of the program were Dr Ranganath V, Principal of AECS Maruti dental college and Dr Sachin Manglekar, CEO Novolase. Other invited dignitaries were Dr Girish Giraddi, Dr Shivaprasad and few others. After a warm welcome to all the dignitaries, the guest speaker was introduced by Dr Sravani K (Faculty). The speaker delivered a sensational talk on Blue Laser wavelength, Red and Infrared lasers and its applications in the various fields of dentistry. The lecture was followed by a brief inauguration ceremony with the invited guests. Further, the first launch of the 'Blue laser' unit from Novolase was done by the dignitaries on the dais.

The live demonstration and workshop were carried out in the Dept of Oral and Maxillofacial surgery. The speaker demonstrated a case of Temporomandibular joint disorder with clicking, on a patient using a combination of Blue wavelength and infrared rays. Later management of Bruxism induced dentine hypersensitivity case was shown with the use of Blue wavelength. Post lunch the demonstration of the utility of the Novolase Unit was shown. The delegates underwent hands-on course on the disinfection of root canal, placement of incisions and tooth whitening. An interactive session was also held by the speaker where a discussion was held with the delegates. Lastly feedback was taken through Google forms.

**NATIONAL TRAINING PROGRAM IN CLEFT AND CRANIOFACIAL ORTHODONTICS**

3<sup>RD</sup> AND 4<sup>TH</sup> AUGUST 2023

## **NATIONAL TRAINING PROGRAM IN CLEFT AND CRANIOFACIAL ORTHODONTICS**

The Department of orthodontics ,DSCDS in association with the Indian Orthodontic Society and Bangalore Orthodontic Study Group conducted a three days National training program in cleft and craniofacial orthodontics from 3rd -5 th august 2023.

The program consisted of a number of keynote speakers and guest lectures by renowned national and international speakers. The program had a huge turnout with around 350 delegates from all over the country registering for this program.

The national training program mainly focused on the treatment of patients having cleft lip and palate and other craniofacial anomalies. The incidence of cleft lip and palate varies by geographical region and population. Such anomalies often present as emotional social and psychological burden to both the parents and the affected child.

The treatment involves extensive care from a few days old infant upto early adult life. The treatment improves the child's ability to eat, speak and breathe properly. Early intervention can prevent speech and dental issues as the child grows . Additionally, addressing the cleft can boost the child's self-esteem and overall quality of life. Medical and surgical interventions, along with speech therapy and ongoing care, play a significant role in ensuring positive outcomes for individuals with cleft lip and palate.

The first day of the conference commenced with a paper/poster/ quiz competitions and many student post graduate delegates participated in the event followed by Hand on workshop focussed on impression taking and fabrication of NAM appliances. The hands on workshop was conducted

August 29, 2024

**CIRCULAR**

This is to inform that RGUHS has made it mandatory for all Interns & 1<sup>st</sup> year post graduate students to undergo **Basic Life Support (BLS) Jeevaraksha course**. This certification is necessary for KSDC registration and for applying for permanent degree certificate. The basic life support training committee of Dayananda Sagar college of dental sciences is conducting a Basic Life Support (BLS) hands on workshop for Interns (2023-24 regular batch & odd batch) & 1<sup>st</sup> year post graduates(2023-24 batch) in association with 'Jeevaraksha' on 03/09/2024 & 04/09/2024. In this regard all Interns & 1<sup>st</sup> year post graduates whose names have been included in the enclosed list are to pay Rs. 1400/- to Dr. Brunda ( Dept of Prosthodontics ) & Dr. Sravani (Dept of Periodontics) and to attend the same. All interns shall be on time for the program. Attendance is mandatory as BLS is a part of Internship completion requirement & post graduation degree certificate as per RGUHS. Heads of the Departments are requested to permit the interns & 1<sup>st</sup> year post graduate students to attend the same.

Venue: Class room no 1, Heritage Building  
Time: 8:00 am to 4:30pm

All participants will receive a study material prior to the course are expected to be prepared for a tests & evaluations during the workshop. All participants shall receive a certified certificate by Jeevaraksha.

Dayananda Sagar College of Dental Sciences along with JeevaRaksha (RGUHS JeevaRaksha Trust) conducted basic emergency care and life support (BCLS) program on 03/09/2024 (Tuesday) and 04/09/2024 (Wednesday) from 8.30am to 4.30pm at lecture hall 1 for the Interns /Postgraduates to make them trainers for BCLS.

The program was conducted by Basic life support training committee and team JeevaRaksha (RGUHS JeevaRaksha Trust)

  
PRINCIPAL

Dayananda Sagar College of Dental Sciences  
Kumaraswamy Layout,  
Bangalore - 560 078.

The program was attended by 60 participants. Dr Hemanth addressed the gathering. The program began with the introductory talk by Dr.Shobha ES and followed by other team members.

The training course aims to provide knowledge, attitude, and skills in handling emergency situations, hence saving lives of those endangered, not only at the facility level, but also in the participant's respective residences as well. The trained personnel and community members will automatically serve as first responders to administer BLS Care until a more advanced medical care is made available.

The participants were divided into multiple teams and teams had both theory and practical sessions on Pediatric and adult mannequins. Emergency management for foreign body removal for infants, children and adults, burns, snake bites etc were addressed.. A pre-test was given in the first day and post-test was given in the final day and the results had improved in the post test. This signifies significant learning, knowledge and comprehension from participants of the said training. 100% passed the skills tests in demonstrations that cover CPR for infant and adult mannequins.

Evaluation tool is rated from 1-5; 1 strongly disagree, 2 disagree, 3 neither, 4 agree, 5 strongly agree. Generally, participants agreed that preparation was given enough time, content and delivery were sufficient and speakers were knowledgeable enough.

Feedback was obtained from the participants and they assured that they shall utilize the skill gained whenever and wherever needed in the clinical setting and they also addressed that the programme was highly beneficial to the participants.

7	REMARKS	Interns Orientation Program is an introductory session designed to welcome and prepare new interns for their clinical journey. This program typically includes an overview of the institution's policies, procedures, and expectations, as well as guidance on clinical protocols, patient safety, and professional development. The orientation may cover topics such as infection control, patient communication, use of dental equipment, documentation standards, and the structure of the internship program. The goal is to ensure that interns feel confident, well-informed, and equipped to deliver quality care and integrate into the professional environment effectively.

## BDS Orientation, White Coat Ceremony & Anti-Ragging Workshop, November 2023-24

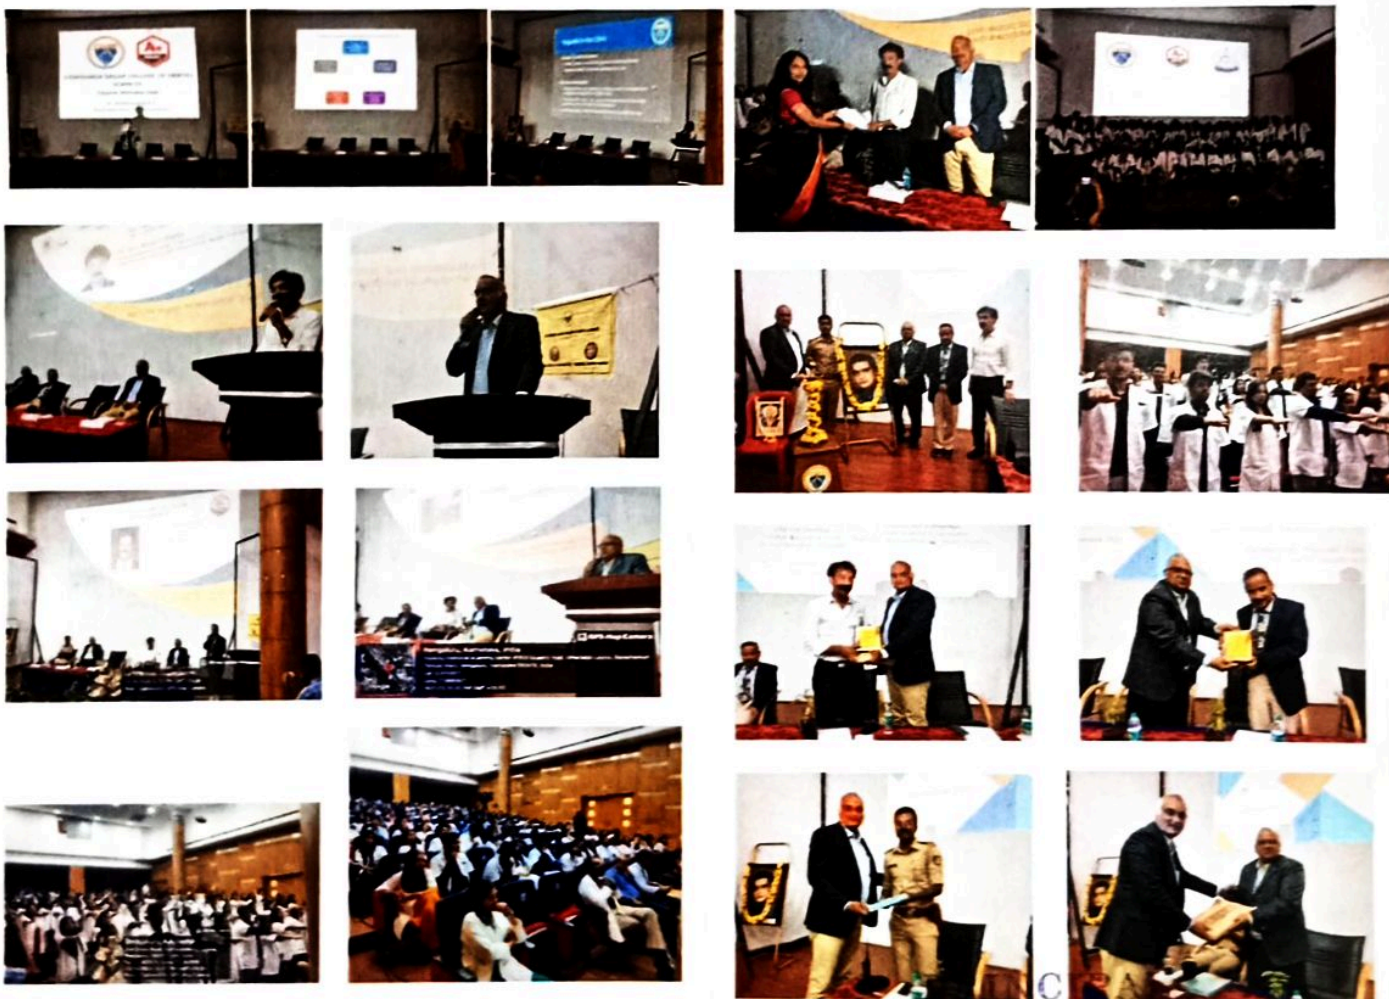

Venue: CD Sagar Auditorium    Date: 16<sup>th</sup> November, 2023    Time: 9am Onwards

On the 16<sup>th</sup> November, 2023, the BDS Induction & White Coat Ceremony & Anti Ragging workshop was conducted for the Batch of 2023-24 at CD Sagar auditorium 11 am onwards. Dr. Shiv Sharan Shetty, Member, Dental Council of India (DCI) was the Chief Guest and Prof. Dr. K P Puthuraya, former Director & Consultant, Rajiv Gandhi University of Health Sciences (RGUHS) was the Guest of Honour. Dr. BG Prasad, Principal, Dayananda Sagar College of Engineering (DSCE) presided over the entire program.

The program started with a lecture session from 9am onwards. Lectures on Course Introduction, Professionalism & Basic Etiquette and a short talk on Mentor Mentee program was given by Dr. Krishnanand P S, Dr. Pavitra Prabhakaran & Dr. Smitha Kulkarni respectively between 9-11am. The Orientation program started at 11am where the first year students were then handed their white coats as a part of the White Coat ceremony by all the dignitaries & were administered the Charaka Shapath.

Dr. Hemanth M, Principal, Dayananda Sagar College of Dental Sciences (DSCDS) welcomed the gathering and presented the Principal's Address, while Prof. Dr. K.P. Puthuraya gave a motivational lecture on orienting students towards Dentistry. Dr. Shiv Sharan Shetty spoke on Anti Ragging guidelines & rules as resource person representing the DCI. Dr. BS Prasad addressed the students with an engaging lecture.

Dr. Avinash J, Vice Principal, DSCDS delivered the Vote of Thanks and the program concluded with a photo session of the dignitaries with the students of the 1st BDS batch.

## Annexure – I

The Department of Conservative Dentistry and Endodontics in association with the committee of Dental Education Technology conducted a CDE program, Lecture and Demo on "Vital tooth bleaching on 10-02-2024 for the Interns batch (2023-2024), interested PGs and faculty.

At the inauguration, the Principal spoke about importance of vital tooth bleaching. The speaker Dr Dharam Hinduja, had a lively interaction with the students during the lecture which ended in a short QnA session. It was followed by a clinical demonstration on vital tooth bleaching in the Department of Conservative Dentistry and Endodontics. Other materials and techniques of tooth bleaching were also discussed during the demo. Students were very much captivated and had a lot to learn from this program. The Principal presented a token of appreciation to the speaker at the end of the program. Certificates of participation were distributed and feedback was collected from all the participants.

Soft skills are personal attributes that enable individuals to effectively communicate, collaborate, and interact with others, practicing and applying these skills in real-life situations can help individuals improve their soft skills and gain confidence.

The Soft Skills Committee of Dayananda Sagar College of Dental Sciences conducted a Soft Skills Program for the III BDS {Regular& Odd} batch 2023-2024

Dr. Avinash J, Vice Principal of the college addressed the gathering; Dr Archana Naik - member secretary, Dr Krishnanand PS, members of Soft Skills committee and Mrs. Praveen S (External Member) were also present. Mrs. Lakshmi Korishetty introduced the resource person. At the inauguration Dr Archana Naik - member secretary spoke about importance of soft skills in their academics and presented a token of appreciation to the guest speaker.

The speaker Mr. Vishwas M.P had a lively interaction with the students along with performing activities and explaining essential soft skills like communication, teamwork, problem-solving, adaptability, time management, leadership, and work ethic.

The task helped students building and maintaining relationships, developing rapport, and using diplomacy. It also includes giving and receiving constructive criticism, being tolerant and respectful regarding others' opinions, empathizing with them.

The program ended with distribution of certificates to the participants and a feedback form was given. In conclusion, learning soft skills is an ongoing process that requires dedication, practice, and a willingness to learn and grow.

# ANNEXURE -I

The Career guidance committee and placement cell of Dayananda Sagar College of Dental Sciences conducted a Career guidance program for Interns and 1<sup>st</sup>-year Post-graduate students.

The resource person for the lecture was Dr. Girish Bharadwaj- BDS, MDS, MFDSRCPs, FFDRCS.

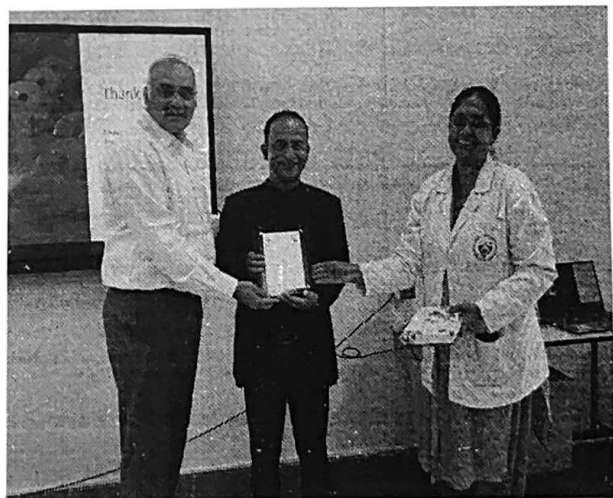

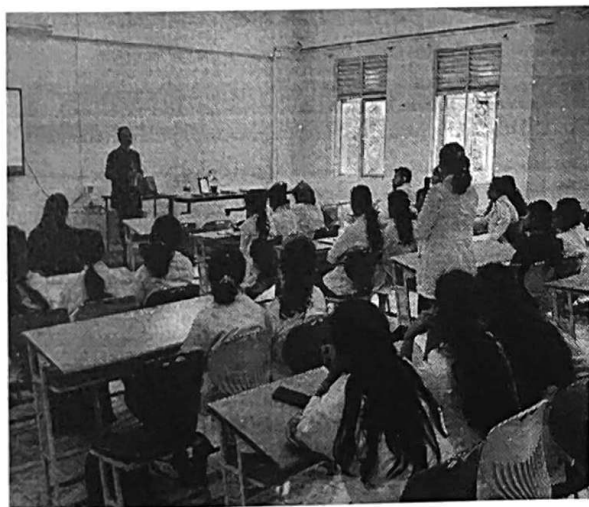

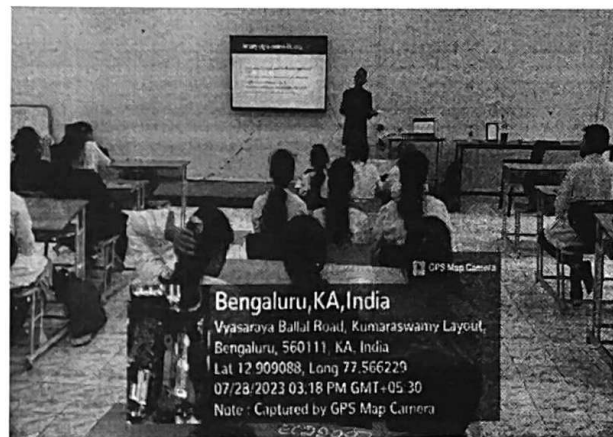

Dr. Varada R Hiremath addressed the gathering pertaining to the importance of the program and welcomed the guest speaker. The program was attended by 42 participants.

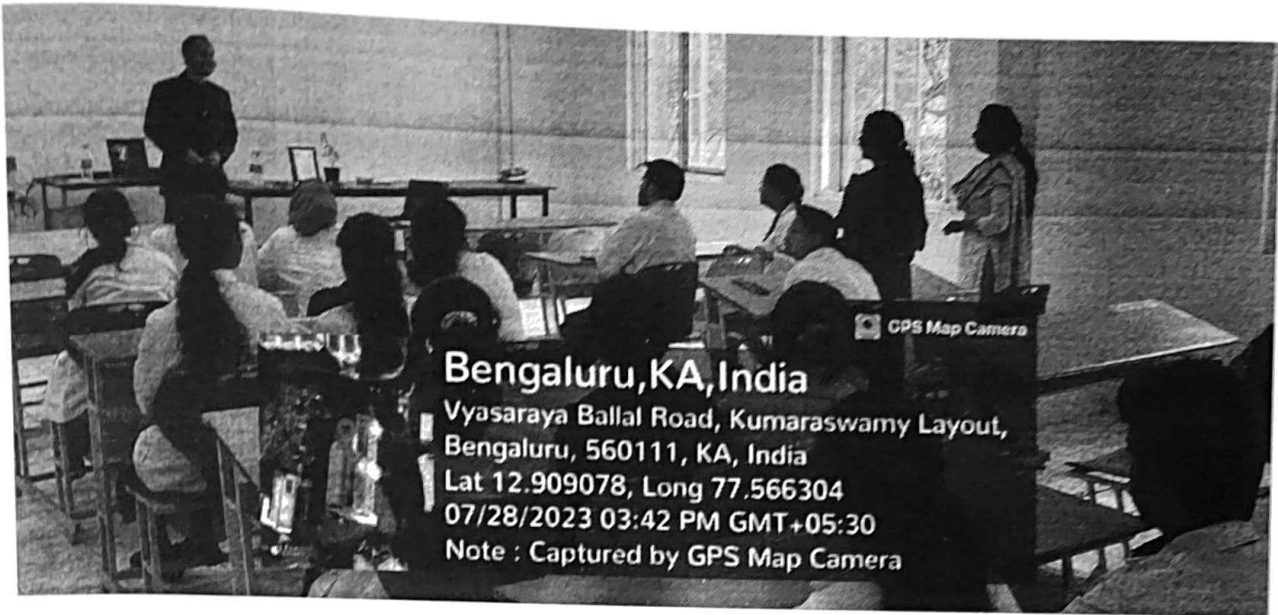

The lecture included a detailed description of the digital workflow for implant dentistry and various new technologies for the same. He also talked about the recent intra-oral scanners and their usage in the digital workflow.

The next half of the lecture includes Career Prospects in the UK where he explained the examination and selection process for practicing dentistry in the UK. He also talked about the pros and cons of practicing in the UK. This was followed by a brief Question and Answer session.

The vote of thanks was presented by Dr. Shobha E.S., Member Secretary of the Career guidance committee. Our Principal, Dr. Hemanth M motivated interns and post-graduate students to delve into the career opportunities in the UK followed by a memento and a token of appreciation presented to the guest speaker.

At the end of the program, feedback regarding the effectiveness of the program was obtained from all the students.

## ANNEXURE I

The Career guidance committee and placement cell of Dayananda Sagar College of Dental Sciences conducted a Career guidance program for Interns and IV BDS students on 6<sup>th</sup> December 2023 in Class room 1.

The resource person for the lecture was Dr. Simranjit Singh- BDS, MDS, Director of DentAcme Coaching Academy, Chandigarh.

The master of ceremony Dr. Pavithra P. began the program by welcoming everyone.

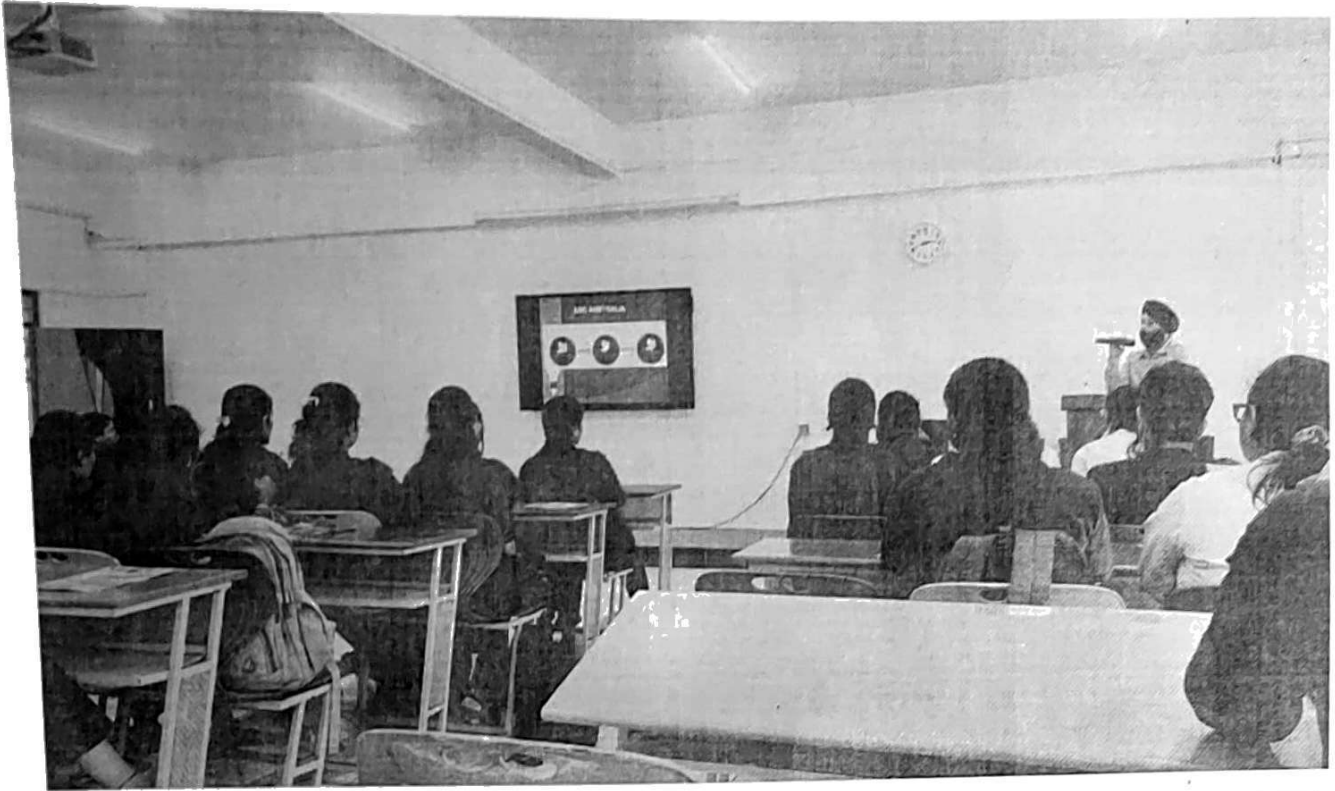

Dr. Varada R Hiremath addressed the gathering about the importance of the program and welcomed the guest speaker. The program was attended by 50 participants.

The lecture included a detailed description of the Career options after BDS- India and Abroad. The lecture was fruitful for the students applying for various options. He also talked about the pros and cons of practicing abroad. This was followed by a brief Question and Answer session.

The vote of thanks was presented by Dr. Megha Kachari, Member of the Career Guidance Committee. Our Principal, Dr. Hemanth M motivated interns and IV BDS students to delve into the career opportunities in India and Abroad followed by a memento and a token of appreciation presented to the guest speaker.

At the end of the program, feedback regarding the effectiveness of the program was obtained from all the students.

RANK 114  
CDC LUDHIANA  
RANK 7

Dr. Simranjit Singh is the university gold medalist from Pondicherry University where he pursued his post graduation in Oral Pathology from the prestigious government institute, Mahatma Gandhi Postgraduate Institute of Dental Sciences.

He is an excellent academician and has numerous scientific publications in national and international journals.

He has helped many students in cracking national and international dental entrance examinations like AIPG, NEET, INI-CET, AIIMS, PGI, INBDE, AFK, ADC and many more. He has a keen interest in helping dental aspirants seeking admissions in the US and Canada and has simplified the entrance exam preparation for them.

To conclude his achievements and expertise, it is kind to know that he is the author of the famous postgraduate dental entrance examination book, AIIMS-25 years and the Best Seller book, Dental Triplet.

Program from Career guidance & Placement committee

**Dr. Kavita Kulkarni Bio:**

Dr. Kavita Kulkarni received her Bachelor of Dental Science (BDS) degree from ABSM College of Dentistry (batch of 1989). She then worked as a lecturer at RV Dental college in Bangalore. She continued her education at the New York University (NYU) School of Dentistry to obtain a DDS degree. At NYU she received the prestigious Irwin R. Thal award for her excellence in clinical dentistry. Dr. Kulkarni also taught at NYU's dental assistant program.

In the US, she has worked in a variety of dental environments. She worked in a large corporate dental organization, set up a mobile dental unit for old age homes, and for the past 15 years. Dr. Kulkarni has been running "Smile-ist", her own dental practice out of two locations in Arizona. She recently transitioned one of the offices to a younger Dr and is now developing her second practice with a focus on geriatric dental care.

She is a member of the American Dental Association (ADA), the American Association of Women Dentists (AAWD), and is also active in the local chapter of the Arizona Dental Association (AZDA). In addition, Dr. Kulkarni is active in supporting the Arizona Indian community and has held many leadership positions in both India association and Kannada Sangha of Arizona.

Dr. Kulkarni is married and has two sons. In her free time, she likes to hike, dance, participate in dramas, travel, and cook.

Dear Principal,

We are delighted to announce a collaboration between Prameya Foundation and the Bangalore Society of Oral Pathologists for Oral Cancer. This collaboration aims to deliver the Integrated Supportive Care in Cancer-Certification Program to dental students across Bangalore.

As part of this initiative, we are reaching out to Dayananda Sagar College of Dental Sciences to allow us to orient students about the program's offerings. We kindly request your assistance in scheduling an orientation session for interested students.

Ideally, we would like to conduct this orientation within the month of February to facilitate a program start date in mid-March 2024. Once we receive your confirmation on a suitable date and time, we will immediately follow up with specific details for the session.

We believe this program will equip future dental professionals with valuable knowledge and skills to comprehensively support their patients facing cancer. We are confident that collaboration will be instrumental in achieving this objective.

Attached below are the details of the program. Thank you for your time and consideration. We look forward to hearing from you soon and working together to make this program a success.

Thank you

Regards

Dr. Inara Isani

Prameya Health

*to be held on 23/2/24*

To  
The Principal  
Dayanand Sagar College of Dental Science  
Bengaluru

Respected Sir/Madam,

**Sub: Request Letter for permission to Conduct Orientation about NEET – MDS Entrance Exam.**

Dr Bhatia Medical Institute, BANGALORE has been imparting training classes for PG aspirants for preparation of Postgraduate Entrance Exams for the last 15 years. We give special preference to The Dayanand Sagar College of Dental Science students, and many students join our Institute and secure ranks. This is due to the combined efforts of your prestigious institute and our classes.

We kindly request you to **Grant us permission to Conduct brief orientation about Exam Preparation Strategy for final Year & Intern students.**

**We will be requiring Lecture Hall or Auditorium to conduct the session for 30 minutes to 1 hour on 8<sup>th</sup> May 2024.**

We will abide by the rules & regulations The Dayanand Sagar College of Dental Science kindly do the needful.

Yours Faithfully

**Bright Medical Institute (DBMCI- Bangalore)**

*Forwarded to  
Dr Shobha for needful.*

A two day faculty development program on “SAMSHODHANA 2024 – WORKSHOP ON RESEARCH METHODOLOGY AND BIostatISTICS” was organized by Dental Education Technology committee, Dayananda Sagar College of Dental Sciences on 22/07/2024 (Monday) and 23/07/2024 (Tuesday) from 9 am to 4 pm at Centre for Innovative Learning (CIL), 4<sup>th</sup> floor CD Sagar building, DSI.

The training course aims to provide knowledge, attitude, concepts and methods in collecting analysing and interpreting data in research methodology and biostatistics.

A formal inauguration was conducted on 22/07/2024 (9.30 – 10.00 am) with blessings from almighty and invocation song by intern Thanushree. Dr. Hemanth M, Principal, addressed the gathering followed by a talk by master trainer Dr. Gangaboraiah. Principal addressed the participants and highlighted the importance of research methodology and biostatistics to level up the participants interest on research activities

The participants were divided in to multiple teams for group activities A pre-test was given in the first day and post-test was given in the final day and significant leap in the results were observed. The module adopted activity based learning and two way communication. Feedback was obtained from the participants and they assured that they shall utilize the skill gained whenever and wherever needed and they also addressed that the programme was highly beneficial to the participants.

**CIRCULAR**

Department Of Conservative Dentistry and Endodontics, Dayananda Sagar College of Dental Sciences is conducting a workshop on "RETREATODONTICS - Lecture, Demo and Hands-on" for Intern, Post-graduates and Faculty on 5<sup>th</sup> August, 2024. All Interns, interested post-graduates and staff are informed to register for the program.

All Heads of the Department are hereby requested to permit the Interns of both regular and odd batch to attend the program.

Topic: "Retreatodontics – Lecture, Demo & Hands-on"

Speaker: Dr. Narasimhan Bharadwaj

Professor, Saveetha Dental College, Chennai  
Adjunct Professor, MAHSA University, Malaysia  
Conservative Dentistry and Endodontics

Venue: Lecture and Demo: CD Sagar auditorium

Hands on: Seminar hall, Department of Orthodontics, DSCDS

Lunch : Food court, 1<sup>st</sup> Floor, CD Sagar

Time : 9am – 4 pm

PROGRAM DETAILS	
TIMINGS	PROGRAM
9.00 - 9.30 am	Registration
9.30 - 10.00 am	Inauguration
10.00 am onwards	Lecture
11.15 - 11.30 am	Tea Break
11.30 - 1.00 pm	Lecture
1.00 - 2.00 pm	Demonstration
2.00 - 2.30 pm	Lunch (Food court)
2.30 - 4.30 pm	Hands-on session

Topics enlightened

- Endodontic failure - An insight, diagnosis and management
- Clinical workflow
- Use of Ultrasonics for extra canal tracing and chamber refinement under microscope
- Workshop aims to familiarize the clinician to handle microscope, parfocal them and Orient to achieve seamless use chairside

The Department of Conservative Dentistry and Endodontics in association with the committee of Dental Education & Technology, Dayananda Sagar College of Dental Sciences conducted a CDE program **"RETREATODONTICS - Lecture, Demo and Hands-on"** on 05-08-2024 for the Interns, Post-graduates and Faculty at CD Sagar auditorium, DSI

A formal inauguration was conducted, Head of the Department Dr. Vedavathi. B welcomed the gathering and introduced the dignitaries on the Dias. Principal Dr. Hemanth. M addressed the importance of Retreatment in endodontics to boost the participants interest in this program. ACE Karnataka former Founder - President Dr. Roopa Nadig graced the occasion and threw light upon the Tips and tricks and relevance of the topic in present day scenario in endodontics. Heads of the department in Endodontics from various colleges across Bengaluru also attended the Programme. The speaker Dr. Narasimhan Bharadwaj had a lively interaction with the students during the lecture which ended in a short Question and answer session. The program was hosted and vote of thanks given by Reader Dr. Ranjini. M. It was followed by a clinical demonstration on an extracted tooth in the auditorium followed by lunch for participants and faculty. Post lunch, there was hand-on session conducted for registered participants in seminar hall, Department of orthodontics. The hands on session was very efficient and effective. The Principal presented a token of appreciation to the speaker at the end of the program. Certificates of participation were distributed and feedback was obtained from the participants and they assured that they shall utilize the skill gained whenever and wherever needed and they also addressed that the programme was highly beneficial to the participants.
